NOTE: *"The elementary dual language immersion program is considered to be a comprehensive educational experience. Beginning in the first grade, paired English and target language teachers collaborate to support student mastery of both the core content standards and target language skills in a full day program. It is our expectation that students who participate in the language immersion experience participate fully in the school academic day and its prescribed instructional design."*

Please complete and return your application along with the Parent Commitment Form to the school for whose program you are applying.

PARENT COMMITMENT FORM
JSD Portuguese Dual Language Immersion Program

Parent Name _____

Child's Name _____

I am requesting that my child be enrolled in the Portuguese Dual Language Immersion program at Elementary. I understand that the enrollment of my child is conditional on my understanding of and commitment to the following, along with space availability:

1. Children enrolled in the Portuguese immersion program will remain together in first grade through sixth grade.
2. I understand that parents need to read to their child at home 20---30 minutes daily in English.
3. Since success in an immersion program requires consistent instruction over time, I intend to support my child in the Portuguese immersion program in grades one through six.
4. I understand attendance is of key importance and commit to having my child arrive at school on time and attend school except for illnesses and family emergencies.
5. I will consult with teachers and administration for additional strategies to support my child to increase success in the Portuguese immersion program.
6. I understand that the dual immersion model will be implemented in each class of my child's 50/50 day. Content and instruction will be based on the state model.
7. Once enrolled in the Dual Language Immersion Program, any academic/behavior concerns will be addressed with the principal. Appropriate interventions will be implemented. If documented interventions are unsuccessful, a formal conference with the principal, parents, student, and teacher will take place.
